ROOM RATE: \$93.00 + tax (single or double)
GROUP NAME: ANSI or X3T10
RESERVATION CUTOFF DATE: June 29, 1994

The July X3T10 Working Group meetings will be held at the Sheraton Tara Wayfarer Inn. The inn is located about 5 miles from the Manchester, NH airport and about 55 miles from Boston's Logan airport.

The new terminal building is now open at the Manchester airport. The new terminal even has jetways. United and USAir are providing jet service to Manchester. American is considering jet service to Manchester. Turboprop service is provided by Delta, Northwest, United, USAir and Continental.

The Wayfarer provides free shuttle service to/from the Manchester airport. A courtesy phone is available in the airport baggage claim area. The Wayfarer staff requests that you notify them of your intention to use the shuttle service when you make your reservation.

Flight Line shuttle service is available from Logan airport to the Wayfarer. The cost is \$25 one-way. A reservation is required. Call 800-245-2525 for reservations.

Driving from Manchester airport: Stop at the car rental exit and read all the signs. The airport exit road is straight ahead and slightly to your right. Don't miss the airport exit, or you will end up in the long term parking lot. Follow the "Airport Exit" and "To I-293" signs. The airport exit is a T-intersection with a traffic signal. Turn right. Continue through two more traffic signals until you reach I-293 and NH 101 west. Go under the interstate and turn left onto the entrance ramp. Move to the center lane as quickly as you can. After about half a mile, I-293 exits to the right and NH 101 west continues straight. Follow NH 101 west. After another half mile, exit to the right on US 3. Proceed straight through the traffic lights at the bottom of the exit ramp (toward a Jordan Marsh department store). Turn left at your first opportunity after the traffic lights. Follow the signs to the Wayfarer.

Driving from Logan airport: Obtain directions to I-93 north from your rental car agency. Take on I-93 north toward Manchester. Just south of Manchester (after about 50 miles) exit on to I-293 (also NH 101 west). This is a left-lane exit. After about 3 miles, I-293 exits to the right and NH 101 west continues straight. Follow NH 101 west. After another half mile, exit to the right on US 3. Proceed straight through the traffic lights at the bottom of the exit ramp (toward a Jordan Marsh department store). Turn left at your first opportunity after the traffic lights. Follow the signs to the Wayfarer.
