DIRECTIONS:

Two airports serve the Lake Tahoe - Reno area:

Lake Tahoe Airport is the smaller and closer: Several airlines provide service to this airport. It is approximately 15 minutes from hotel. The hotel does not run a van service to the airport, but there is car rental and taxis service available.

Reno Airport is larger, but further away: Many more airlines serve this airport and you should have trouble making connections. There is car rental and deluxe bus service between Reno and Lake Tahoe. Bus service runs approximately every hour and transit time is approximately 90 minutes. Bus reservations, although not necessary, can be obtained by calling Tahoe Casino Express at (800) 446-6128. Fare is approximately \$15 one-way.
