**Driving Instructions:**

**Getting to the Holiday Inn Plaza** from the Manchester Airport [Approximate Travel Time: 15 minutes] Follow signs for exiting the airport onto Brown Ave. Turn Right onto Brown Ave. Approximately 1-1/2 miles turn left onto I-293 and 101 West (just after the overpass). After you cross the bridge over the Merrimack river turn north on I-293, Take exit 5 and turn right onto Granite Street. Turn left onto Elm Street. The Holiday Inn Plaza is on the left (700 Elm Street, 603-625-000).

**Getting to the Holiday Inn Plaza** from Boston's Logan [Approximate Travel Time: 55 minutes] As you exit from Logan Airport, you want to turn left (South) on **1A** and go through the Sumner Tunnel (\$1 toll). **Do not attempt to use the Ted William's tunnel, which is only open to commercial traffic.**

**If traffic is light:** The electric sign will direct you to turn left (South) on **1A** directly towards the Sumner Tunnel.

**If traffic is heavy:** The electric sign and state police will require you to take the "alternate route" to Sumner Tunnel:

Turn right (North) on **1A**, away from the tunnel. Get off at the first exit and keep to the left down the exit ramp. At the bottom of the ramp make a U-turn back onto **1A**, heading South towards the tunnel.

Try to develop a sense of patience. This really is not as difficult as it sounds. You'll be in line with a few hundred taxis. Just follow them around the loop.

You should be in the left lane going into and through the Sumner tunnel. Upon exiting the Sumner Tunnel, make a broad right and go up the highway entrance ramp (which leads to **I-93** North). Take **I-93** North all the way to New Hampshire.

Once in New Hampshire, bare left onto **I-293** and **101** West, after you cross the bridge over the Merrimack river (approx. 1-1/2 miles) turn north on **I-293**. Take exit 5 and turn right onto Granite Street. Turn left onto Elm Street. The Holiday Inn Plaza is on the left (700 Elm Street, 603-625-1000).
