- 7) Turn LEFT onto CANYON DEL REY BLVD/CA-218. 0.3 miles
- 8) End at 1441 CANYON DEL REY BLVD SEASIDE CA

6 Points of Interest

The hotel is a pleasant walk or short drive from Monterey's Fisherman's Wharf and historic town square. The Monterey area is famous as a coastal resort, providing swimming beaches (with very cold water), kayaking, off-shore fishing, whale watching, hiking, bicycling, golf, and many other activities nearby. Cannery Row, made famous in Steinbeck's book of the same name, is a delightful destination with many restaurants and a collection of antique, art, and souvenir stores. It is also the location of the Monterey Bay Aquarium, one of the finest display and research aquariums in the world, worth a trip to Monterey all by itself. The nearby city of Carmel is famous for its mission, its beautiful beach, and its charming shopping district.
