CUT OFF DATE: **February 10th, 2014**

DRIVING DIRECTIONS:

The **Bourbon Orleans Hotel** is located in the heart of the French Quarter, at the corner of Bourbon at **717 Orleans Street**, twenty-five minutes from Louis Armstrong International Airport. All streets in the French Quarter are one way, so getting around can be a little confusing your first time here.

From The West Take I-10 East to the Esplanade Avenue (exit 236A). Turn right on Esplanade (toward the river) and take to Royal Street. Turn right on Royal to Orleans Street. Turn right again on Orleans and the hotel will be on the right hand side. Upon arrival, the Valet will park your car and our bell staff will assist you with your luggage. Parking on the street is limited and not recommended.

From The East Take I-10 West to Exit 236A to the Vieux Carre / Orleans Street Exit. Turn left on Orleans (toward the River). Orleans will curve to the right. Stay in the left hand lane. Just before the light for St. Louis Street is a U-turn lane with a sign that reads "French Quarter via Toulouse Street." Make the U-turn and veer to the right onto Toulouse. At the next light (Rampart Street) turn left. Take Rampart to St. Ann Street and turn right. Take St. Ann to Royal Street (you will pass the back of the hotel) and turn right on Royal. The next block will be Orleans Street, make another right and you will be at the front of the hotel. Upon arrival, the Valet will park your car and our bell staff will assist you with your luggage. Street parking is limited and not recommended.
