The Austin Marriott North is located in Round Rock, Texas, which is north of Austin. It's about 19 miles from Austin–Bergstrom International Airport (AUS). Uber is about \$50-65. Hotel does not provide airport shuttle. There are several restaurants in walking distance. And lots of "Texas" BBQ within a driving distance.

Rudy's BBQ – 5 miles (Its Rudy's)  
Saltlick – 7 Miles (one of my favorites – in the airport also)  
Stiles Switch – 13 Miles (never been but hear its good)  
Franklin's 17 - Miles (the best, but you need to get in line before 9am)  
Louie Mueller Barbecue – 21 miles (very good, but a drive)

Also a lot of dinner restaurants in Round Rock including:  
Salt Traders Coastal Cooking (Steak and Seafood)  
Louisiana Longhorn Café (Cajun food)  
Palermo Pasta House (Excellent homemade pasta – small place though)  
Lots of bars in downtown Round Rock (Brass Tap, Wine bar, Dueling Piano bars, etc.).

**PARKING:** Free on site
