Subj: re Call for Volunteers - Chair NCITS/T10

I am pleased to volunteer to chair the T10 Technical Committee. As T10 chair since 1994, I am well aware of the requirements of this position. In addition to my T10 experience, I am an additional alternate member of the T11 Technical Committee. I have previously served as the chair of the X3T9.2 task group from 1987 through 1993.

A handwritten signature in black ink, appearing to read "John".
