

NCITS Report - October 2000

- Recent Changes and Clarifications:
 - TC now has 7 days (instead of 3) to forward new project proposals under the new rules (might be changed to 14 days)
 - New member following 1st meeting (n) is not in jeopardy until after meeting n+2 if he/she misses the next two meetings.

NCITS Report - October 2000

- Last year's change to the 2/3 rds rule that added a new requirement (c) for quorum+1 yes votes was ill-advised and will be revised or dropped.
- First public review is now 45 days (down from 60 days).

NCITS Report - October 2000

- NCITS has adopted a new standards category called Stabilized Standard. Stabilized standards have not changed in 5 years and have no planned revisions. They are administratively reaffirmed thereafter.
- NCITS service fee has increased to \$800/year. There is no separate IPF.
- ‘Observer (O)’ changed to ‘Advisory (AD)’

NCITS Report - October 2000

- T10 annual report accepted
- PPC has recommend that T10's new and revised procedures be approved
- SES AM#1 passed NCITS management review
- SPI-3 passed NCITS management review
- NCITS directed T10 chair to only allow one vote for AMP/Madison/Tyco
