

ENDL TEXAS

Date: 24 March 2002
To: T10 Technical Committee
From: Ralph O. Weber
Subject: ISO SPC-2 Revision History

Since it is not practical to maintain a revision history in the ISO SPC-2 FCD/FDIS, that information will be maintained in this document.

SPC-2 i21- Reformat SPC-2 r20 for per ISO requirements
SPC-2 i22- Incorporate 02-056r3 (r2 with editorial changes)
"Limiting 3rd-party reservations to a single protocol"
