TGC Liaison Report

TCG Face/Face in Amsterdam: 20-24 June 05

- Joint Peripherals/Storage WorkGroup meetings
- T10 Trusted Send/Receive draft being finalized by T10; contains: (05-157r1)
 - "container" constructs
 - minimal Identity Credential
 - LUN definition (05-252r0)

TCG Liaison Report-Cont.

- Revisions to the Requirements/Architecture doc; shortening for succinctness and clarity
- Factory Credential nearly finalized
- Next focus: Architecture and then Specification (based on Capability Level of the peripheral device)
- Face/Face meeting planned for September
