STA -T10 Liaison Report

November 10, 2005

11/9/2005

STA Update

- **Plugfest held week of Sept. 25th**
  - 17 Companies attended
  - Included:
    - Large system build
    - 3Gb SATA testing
- **Next Plugfest: Feb-Apr '06**
  - Need strong commitment from large system houses to help anchor to event
- **STA working on a "System Integrators Guide" with preferred implementation choices**
- **2006 Objectives:**
  - Continue to evangelize SAS with case studies and continued education programs
  - Close on the top level definition of SAS 2.0

- STA would like to bring closure to the objectives presented at last T10 meeting
  - Target March meeting
- Another Monday evening event planned for January meeting
  - Challenge objectives and suggest changes or new ones
  - More details to follow
