STA/T10 –Liaison Report

Thursday 07/12/07

www.scsita.org

Plugfest Update

- Next plugfest target July 23, 2007
  - Focus on large system build, new/updated products and features
  - If considering attending-NOW is the time to decide
  - NDA required
- 6Gb plugfest has been pushed put to the Q1CY08 timeframe

Other Activities

- 6Gb/sec communications/roll-out timeline delayed due to specification and plugfest delays
- September 2007 STA meeting will be shifted to Monday instead of Tuesday/Wed. due to IDF
