

STA/T10 –Liaison Report

Thursday 11/08/07

Plugfest Update

- Next Plugfest targeted for 3rd week of April 2008
 - New products since last plugfest
 - Some 6Gb testing (not the primary focus)
 - Scope will depend on the number of 6Gb products that show up

Other Activities

- SAS open house planned to occur in San Jose during May T10 week
 - Will include some 6Gb demos
- Plan on sponsoring a “What’s next for SAS” event on Monday night at the January T10 meeting
 - Similar to the process used for SAS-2
 - Topics will include
 - Should there be a SAS 2.x?
 - Features
 - Connection options (connectors, cables, optical, etc)
 - Etc.
 - Call for presentations will be sent out to T10 reflector
