

SAT-2 Working Group Meeting Announcement

December 10, 2007 1030 - 1700

NVIDIA is pleased to host the SAT-2 working group meeting at our facility in Kirkland, Washington. The closest airport to our facility is Seattle-Tacoma International Airport (IATA code: SEA). I highly recommend the use of a rental car as the eastside of the Seattle area is fairly spread out for dining and lodging options if you are staying overnight.

There is a Courtyard by Marriott located next door to our facility. There is no specific room block for reservations.

We will be providing lunch at our facility.

Our facility is located at 12131 113th Ave NE, Kirkland, WA (Suite 203).
