

STA/T10 –Liaison Report

Thursday 3/13/08

Plugfest Update

- Next Plugfest will be 3rd week of June 2008
 - NDA now required for participation and planning
 - New products since last plugfest
 - Some 6Gb testing (not the primary focus)
 - Scope will depend on the number of 6Gb products that show up

Other Activities

- SAS open house planned to occur in San Jose during May T10 week
 - Will be held at the Fairmont Hotel
 - Will include 6Gb “sneak peak” demos
- SAS 2.1 draft MRD work planned over the next few weeks
 - Will hold a finalization review of the MRD during July T10 meetings
