

STA/T10 –Liaison Report

Thursday 5/08/08

Plugfest Update

- Next Plugfest will be 3rd week of June 2008
 - NDA now required for participation and planning
 - New products since last plugfest
 - Some 6Gb testing (not the primary focus)
 - Scope will depend on the number of 6Gb products that show up
- Good interest – 16 NDAs so far
 - 6 registrations completed - ahead of previous completion rates

- SAS 2.1 draft MRD work
 - Will hold a review of the MRD during July T10 meetings (Monday night)
