

Plenary Report
SCSI Media Changer (SMC) Working Group
Curtis Ballard, Hewlett Packard

Ad Hoc Teleconference, 3 November, 2008 9:05 AM – 12:06 PM PST

1. Meeting

The SMC-3 working group was unable to hold a face-to-face meeting this week and held a teleconference in place of the normal face-to-face meeting. The SMC-3 working group met for 3 hours minutes on Monday, 3 November, 2008. Draft minutes are in [08-436r0](#).

2. Attendance and Membership

At the 3 November, 2008 meeting, six people from six organizations attended.

3. Discussion items:

At the 3 November, 2008 meeting the group discussed two proposals. [07-372r3](#) as modified was approved for incorporation into SMC-3.

The group did not discuss ten proposals either at the author's request or due to a lack of time.

4. Call for final technical input

The SMC-3 working group has chosen to delay the date for final technical input and has set a date of 16 March, 2009 for final technical input. That date will be announced on the T10 reflector after the first of the year.

5. Next meeting requirements

The working group requests permission to hold one teleconference before the next plenary week: 7 January, 2009 at 8:00 AM PDT – 11:00 AM PDT.

The working group has chosen to not request time for a face-to-face meeting in Orlando, FL to allow more time for the ADI working group meeting.
