Dear Gerald:

It was a pleasure speaking with you yesterday.

Please accept this e-mail message as permission to send a copy of IEEE Draft Standard P1394 to John Lohneyer, chair of ANSI X3T10. It is our understanding that X3T10 will be photocopying the IEEE draft and including it in their mailing to X3T10 committee members for review and comment.

When your committee is ready to ballot P1394, it would have to be sent to CBEMA for coordination to all the X3 committees. This coordination through CBEMA is handled by Kathy Doty, IEEE Staff Engineer. Kathy can be reached at 908-562-3809 or k.doty@ieee.org. She can assist you in getting coordination of the P1394 to X3 once it is in ballot.

The following is the newly revised draft copyright statement which includes permission to copy for purposes of balloting and coordination:
