Dear Lynn,

An X3T10 letter ballot, which closed November 7, 1994, on forwarding SCSI-3 Controller Comands (SCC) Revision 3 to X3 for first public review passed 54:1:0:3. The negative was resolved and Gene Milligan changed his vote from No to Yes. At the January 12, 1995 meeting of X3T10, a motion to accept the SCSI-3 Controller Comands (SCC) Revision 4 as resolving the letter ballot comments passed 34:0:0:23. You should have SCC Revision 4 in the November 1994 X3T10 mailing. Please forward this document to OMC for compliance review and to BSR for first public review.

Sincerely,

John Lohmeyer, X3T10 Chair

cc: Larry Lamers, X3T10 Vice-Chair
