X3T10 Mailings

Deadline is one week from plenary. All documents must be recieved by 10:00 a.m. Thursday following the plenary.

Documents may be transmitted by any of the following methods:

1) Send an email with the file attached to **ljlamers@corp.adaptec.com**

2) Upload the file to the SCSI BBS and send an email to **ljlamers@aol.com** indicating the file is there and the filename.

3) Put the file on ftp.symbios.com in \pub\standards\io\incoming and send an email to **ljlamers@aol.com** indicating the file is there and the filename.

4) Send a floppy disk to
   Lawerence J. Lamers
   4611 Park Norton Place
   San Jose, CA 95136
   (408) 226-0343

Filenames are required to contain the document number, e.g. 95-nnnR0.typ. Document numbers may be obtained by sending an email to **ljlamers@aol.com** with the document title. The subject line of the email should read 'Request for Document Number'.

Transmitting a document via the reflector does not meet the requirment of providing the document.

Documents should be in native format.
