Subject: Elimination of X3T10 paper mailing option in 1997.

Statement: Since X3T10 mailings are now being prepared electronically
on CD-ROM, the option of receiving a mailing in paper
format has become much more expensive. This letter ballot
is being issued to determine whether anyone would be
seriously inconvenienced if the paper mailing option were
eliminated. X3T10.1 voted ".. that the X3T10.1 membership
has no reservations regarding the discontinuance of a paper
mailing starting in 1997." The motion carried 11:0:0.
NOTE: This ballot will not be binding on the X3 Secretariat.

Question: Do you approve of eliminating the option of receiving
X3T10 mailings in paper format starting in 1997?

affirmative vote does not commit an organization or group
represented on the committee to the use of the American National
Standard under consideration.
