RE: Copyright Distribution License for Document Number 98-208 authored by  
David B. Anderson  
GEN8009.0

Dear John:

Seagate Technology hereby grants T10 and other participates in the standards process a royalty-free, paid-up license to distribute the above-identified document provided that the document is not altered without prior written consent from Seagate Technology.

If you have any questions, please do not hesitate to contact me.

Very truly yours,  
  
Fred M. Vasconcelos  
Vice President  
TCO Design Engineering
