Airlines:

Rochester has regular daily airline service by Northwest Airlines (via Minneapolis) and American Airlines (via Chicago). Emphasize that your destination is Rochester, MINNESOTA (code RST) or your bags could end up in upstate New York. Also be sure to board the correct flight as mistakes like this are common.

Ground transportation:

Taxi from the airport to downtown runs about \$18 and the airport shuttle to downtown runs about \$8 each way. Many hotels also offer free shuttle service to the airport. Inquire direct for details.

Directions:

From the Rochester airport, proceed north on US 63 into downtown Rochester. US 63 is named "Broadway" street within the city limits. The Radisson is right downtown on the east side of the street. There is a public parking ramp directly behind (east) of the Radisson. Check with your hotel regarding parking validation.
