DRIVING DIRECTIONS TO HOTELS:

From Logan International Airport (BOS): Look for the Airport exit and follow signs to Sumner Tunnel (stay in the right hand lane of the tunnel). Exit through the Sumner Tunnel to I-93 South. Take I-93 South to the Mass Pike West (I-90 West). Go through the tunnel to I-90 West. Take I-90 West to I-495 North (exit 11A).

From Providence, Rhode Island airport (PVD): Start going towards the AIRPORT EXIT on the POST RD. Bear right to take the RI-37 WEST ramp. Merge onto RI-37 WEST. Take the I-95 NORTH exit towards Providence. Stay on I-95 to the I-495 NORTH exit towards WORCESTER, exit #6B. Merge onto I-495 NORTH.

For Courtyard, Wyndham, and Sierra Suites: From I-495 North take the Route 9 WEST exit towards WORCESTER, exit #23B. Continue on TURNPIKE RD. Continue on the RAMP. Turn Right on COMPUTER DRIVE (continue on Computer Drive to Technology Drive).

For Embassy Suites and Hampton Inn: From I-495 North take US-20 West (exit 24B) towards NORTHBORO. Merge onto US-20 West (Boston Post Road West). The Embassy Suites will be on the right, about ¼ mile. The Hampton Inn will be on the right about ¼ mile past the Embassy Suites.

DRIVING DIRECTIONS TO MAXTOR:

From the Courtyard, Wyndham, and Sierra Suites: Take Route 9 West (towards Worcester). Turn left at the traffic light directly in front of Ragsdale Chevrolet onto South Street. As you head up the hill, the sign for Maxtor will be on your left.

From the Embassy Suites or Hampton Inn: Take US-20 West to the Route 9 West exit (towards Worcester). Take 20 West approximately 3 miles. Turn left at the traffic light directly in front of Ragsdale Chevrolet onto South Street. As you head up the hill, the sign for Maxtor will be on your left.

Comments: It's slightly shorter from BOS than from PVD, but getting out of BOS can be tricky and is often a traffic nightmare. PVD is a much smaller airport, very easy to get in and out of, and the one I prefer. The directions I've given from PVD are not the shortest, but the simplest (and the ones I use).
