Dear Dal:

Emulex is pleased to accept the responsibility for the Secretary's position in the X3T9.2 Committee. Rich Notari will take the official position, however we will probably be sharing the responsibility between several people at Emulex.

As we discussed on the phone yesterday, due to current schedule commitments Rich won't be able to start until the March timeframe.

I will have him call you before the February meeting so you can discuss the organization.

Thank you for the opportunity to help out.

Sincerely,

Bill Caldwell
Associate Vice President, S.P.U.
