To: John Lohmeyer
       Chairman, X3T9.2

From: Dan Davies

Subj: COPY Command (Section 7.1.4.)

Per my action item at the Tempe Working Group, I submit the following
wording to be added to the COPY command description to preclude the
problem identified in document X3T9.2/87-14.

Add to the first paragraph on page 7-14, third sentence, following
"... unit (destination device)."

"... and for maintaining any implicit reservation between the devices."
