Subject: SCSI-2 Working Group meeting 8/31/87 to 9/2/87
Date: July 10, 1987

NCR Corporation is hosting an SCSI-2 Working Group meeting in Wichita, Kansas August 31 thru September 2, 1987. The meeting will be held at:

Wichita Hilton East
Kellogg at Rock Road
Wichita, KS 67278
(316) 686-7131

Please make your reservations under "SCSI" to receive the special room rate of \$55.00 (Single or Double). This rate includes a complimentary breakfast. Any reservations received after August 15, 1987 will be honored on a space available basis only.

The hotel has a complimentary shuttle bus service to/from the airport. If you are driving, exit the airport on Kellogg (a.k.a. US 54) east approximately 12 miles to Rock Road. Turn right onto Rock Road -- the hotel is immediately on the right.

There are several good restaurants within a reasonable walk (1/2 mile) of the hotel -- ask me for recommendations. There is also a major shopping mall across the street from the hotel.
