Mr. John B. Lohmeyer  
Chairman X3T9.2  
NCR Corporation  
3718 North Rock Road  
Wichita, KS 67226

Dear Mr. Lohmeyer:

I would like to request that a Density Code for Helical-Scan Digital Recording Devices be added to Table 9-31, Sequential-Access Density Codes, contained in the SCSI-2 Working Draft Proposal, Revision 4 document. The proposed addition to Table 9-31 is contained in the attachment to this letter.

The proposed additional code will be used by Helical-Scan Digital Recording Devices which are within the scope of ASC Document X3B5/88-036.

Sincerely,

Charles Hess
