Dear Judy:

X3T9 has reviewed your letter of February 23, 1990 presenting your terms and conditions for continuing with the coordination of our meetings after June 1990, and find them inconsistent with our needs. Accordingly you should discontinue all work involving meetings after the June 1990 meeting in Wichita, Kansas.

X3T9 expects your support in planning and coordinating the Wichita and St. Petersburg meetings under the usual arrangement of having all expenses including you fee included in the Hotel bill.

X3T9 wishes to express its thanks to Classic Conferences for your services over the past few years and wish you luck in your future endeavors.

Sincerely,

Del Shoemaker  
Chairman X3T9
