ALTERNATE DIRECTIONS

TO AUGUST PLENARY AND SEPTEMBER WORKING GROUP WEEKS

PROBLEM:

The junction between I-25 and I-70 in Denver is presently undergoing construction, and is expected to be closed from 1130 pm to 530 am during the period immediately before, and possibly including, the August Plenary Week. The following alternate route is therefore suggested to avoid this construction. This route is somewhat more direct than the one found in the August and September Meeting Notices, but is a little more complex near Stapleton Airport and is considerably less scenic (unless you happen to like cracking plants and slaughter houses).

ALTERNATE DIRECTIONS:

From Stapleton Airport:

- a) Exit the airport to the west to Quebec Street (the mountains are always to the west of Denver).
- b) Go north (right) on Quebec 2 miles to I-270 (go past the I-70 junction, over a bridge over the interstate and immediately after the road bears left turn left into the I-270 entrance).
- c) Go northwest on I-270 4.3 miles until it turns sharply left and merges with I-76.
- d) Immediately after joining I-76 exit right to I-25 to Cheyenne and Highway 36 to Boulder and Westminster.
- e) Immediately after joining I-25 move to the left two lanes which will exit left after 0.3 miles to Highway 36.
- f) Go west (left) on Highway 36 5.4 miles to the Sheridan exit. You will see the hotel on your right as you approach the exit.
- g) Go north (right) on Sheridan Blvd. 0.2 miles to 92nd street.
- h) Go east (right) on 92nd Street 0.2 miles to Yates Drive.
- i) Go south (right) on Yates Drive 0.4 miles to the Ramada.

Items f) through i) above are identical to the route shown in the Meeting Notice.

Note that if you are attending the August plenary meeting items a) thru f) above apply except that you will pass the Sheridan exit and the Ramada and continue on Highway 36 to the Clarion Harvest House in Boulder.
