Subject: Reference Summary of ISO DIS LB Comments on ESDI

In view of the long time that has expired between the closing of the DIS letter ballot and the disposition of comments for publication, I thought it might be helpful to you to summarize the comments. Please refer to the cited documents for a full understanding of the comments. Although we can no longer be timely with the resolution, I hope we can complete this project in just a few months.

DIS 10222 ESDI: DIS LB Closed 12/08/89 14:0:4:5

N570 Summarizes comments:

Germany Yes: 6 Comments
