X3, Information Processing Systems

Doc No.: X3/93-0785-X O  
Date: March 22, 1993  
Proj. No.: 990-D  
Ref. Doc.: X3/93-0452  
Reply To: Lynn Barra  
(202) 626-5738  
cc: D. Shoemaker, X3T9 Chair

To: Members of X3, OMC  
From: Lynn Barra, Coordinator, National Standards Processing, X3 Barra  
Subject: Follow-Up to X3LB 2189  
X3 approval of X3/93-75 as amended, Project Proposal for SCSI-2 Common Access Method-2 (SCSI-2 CAM-2), and assignment to X3T9

The above referenced letter ballot closed on March 9, 1993, with a tally of 27-0-1-9 (DEC, Hitachi, Sony, DECUS, GSA, Hughes Aircraft, NCS, USE, Wintergreen). \*[Secretariat Note: If this tally does not accurately reflect your vote, please notify the Secretariat within fifteen working days of the postmark of this letter].

The comment accompanying the abstention vote:

RTUA: "Not within our area of interest."

The X3 Secretariat has assigned X3 Project 990-D to this development effort. Please keep a copy of the authorizing document, X3/93-75R, on hand for future processing. The Secretariat will issue a press release announcing approval of this project. If you have any suggested wording, please let me know by April 16, 1993.
