Subject: Membership Changes

The next page is the current membership list for X3T10.1.

The list I received from Lynn on 2-12-96 needs the following corrections:

- 1) delete all members from Madison Cable, they were acquired by AMP.
- 2) delete all members from Conner Peripherals, they were acquired by Seagate.
- 3) delete all members from Western Digital, the controller division was acquired by Adaptec.
- 4) delete all members from Quantum, Ed Gardner has left and they have stated no interest.
- 5) delete all members from Storage Technology, they have stated no interest.
- 6) add Victor Pecone as an additional alternate from Adaptec.
- 7) add Robert Bellino as an additional alternate from AMP.
- 8) add Nancy Cheng as an additional alternate from Hitachi.
- 9) change EMC Corporation to observer status, delete the first alternate Samek Mokryn.
- 10) change Berg Electronics to observer status, delete the first alternate Ed Cady.
- 11) replace Dhuru Desai of Cirrus Logic with Ram Goplan as principal.
- 12) add Ben Chang of Cirrus Logic as the first alternate.

If you have any questions please contact me.

Regards,

Lawrence J. Lamers
