1.0 Opening Remarks

The MMC meeting has been authorized by INCITS T10 and will be conducted under the NCITS rules. Ad hoc meetings take no final actions, but prepare recommendations for approval by the NCITS task group. The voting rules for the meeting are those of the parent committee, INCITS T10. For the ad hoc, other than straw votes, the voting rules are: one vote per participating company.

The minutes of the MMC meeting will be posted to the T10 Reflector and will be included in the next T10 committee mailing. Attendance at a working group meeting does not count toward minimum attendance requirements for T10 membership. Working group meetings are open to any person or company to attend and to express their opinion on the subjects being discussed.

7.0 New Business

Proposal presentations from David Burg, Nero:

DVD Parameter Overrides (aka Set Book Type)

The proposal was mode page oriented.

It was decided to abandon this proposal after two comments:

1. Terry Nelson was concerned that some content protection mechanisms may be compromised.
2. Bill McFerrin noted that the proposal defined a method to violate other standards. This is not a good idea.

Members that expect to attend the editorial session in Llano, should notify Bill McFerrin at billmc@tstar.net by 5 October 2005.
