#### Results of Meeting

##### 1. Opening Remarks

William Dallas the Editor of the CAM document, called the meeting to order at 9:20 am, Monday, 12 September 1994. He thanked Compac for hosting the meeting.

As is customary, the people attending introduced themselves. A copy of the attendance list was circulated for attendance.

It was stated that the meeting had been authorized by X3T10 and would be conducted under the X3 rules.

The minutes of this meeting will be posted to the SCSI BBS and the SCSI Reflector and will be included in the next committee mailing.

##### 2. Attendance and Membership

Attendance at working group meetings does not count toward minimum attendance requirements for X3T10 membership. Working group meetings are open to any person or company to attend and to express their opinion on the subjects being discussed.

The following people attended the meeting:

3. Approval of Agenda

The agenda developed at the meeting was approved.

4. Report on changes made on the document from Revision 8 to Revision 9.

Bill Dallas reported on the editorial and technical changes made in the document as suggested by the working group at the July meeting.

5. Actions of the Working Group

CAM Status of Bus Reset Denied:

It was requested by the company that is using this CAM Status that it be preserved for CAM-1. The status will be maintained for CAM-1.

Review of Clause 11:

A review of Phase Cognizant Mode was done and the working group found sound editorial problems with Phase Cognizant Mode. Changes were suggested and the editor directed to make those changes.

Host Target Mode:

A member of the working group at the time of the meeting still had not reviewed this Clause. The member will have comments to the editor by 9/15/94. The editor will be reviewing those comments and making changes to the document if deemed appropriate.

Status of the document:

The editor was directed to make all agreed to changes and any changes he deems appropriate from the Clause 11.3 comments. The editor was also directed to have a new revision of the document ready in time for the next mailing so that a vote change be taken at the next X3T10 meeting for forwarding to public review.

6. Meeting Schedule

The next meeting of the CAM Working Group is planned for Nov. 7, 1994 in Palm Springs, Ca. The meeting is expected to run from 9:00am-8:00pm. The topics shall be CAM-1 changes and CAM-2 features/functionality.

7. Adjournment

The meeting was adjourned at 6:30 pm. on Monday, September 12, 1994.
