Results of Meeting

1.   Opening Remarks

George Penokie convened the meeting at 9:00 am, Tuesday, Mar 11, 1997.
He thanked Charles Monia of Digital Equipment Corporation for hosting the
meeting.

This is a joint meeting of the T10 SCSI Controller Commands working group
and the RAB Host Interface working group The purpose of the group is to
deal with interface issues related to using RAIDs. The study group will
assess the issues and then formulate a strategy for dealing with them.

As is customary, the people attending introduced themselves. A copy of the
attendance list was circulated for attendance and corrections.

It was stated that the meeting had been authorized by T10 and would be
conducted under the NCITS rules. Working group meetings take no final
actions, but prepare recommendations for approval by the T10 task group.
The voting rules for the meeting are those of the parent committee, T10.
These rules are: one vote per company; and any participating company
member may vote.

The minutes of this meeting will be posted to the SCSI BBS and the SCSI
Reflector and will be included in the next committee mailing.

2.   Attendance and Membership

Attendance at working group meetings does not count toward minimum
attendance requirements for T10 membership. Working group meetings are
open to any person or company to attend and to express their opinion on the
subjects being discussed.
