Mr. John B. Lohmeyer
Chair X3T9.2
NCR Corporation
3718 North Rock Road
Wichita, KS 67226

Dear Mr. Lohmeyer:

Thank you for your letter of December 3, 1987 regarding a liaison relationship between X3T9.2 and IT8. Thank you for adding me to the mailing list for X3T9.2 matters. As you suggest, I would be glad to circulate X3T9.2 mailings of interest to other IT8 members for their background and information.

At our November 20, 1987 meeting, the Committee requested that I explore formal observer status on X3T9.2. If there is an application form for me to complete, I would appreciate receiving a copy of it.

IT8 is interested in developing a working relationship with X3T9.2 to insure that our standards are compatible. I will continue to explore the formal relationship between IT8 and X3 through the Washington offices of Cathy Kachurik and will keep you apprised of our progress in this area.

Sincerely,

A handwritten signature in dark ink, appearing to read "W. K. Smythe", is written over the typed name.

William K. Smythe
Secretary, IT8 Committee
