**POTENTIAL SCSI-WG AND CAM ATTENDEES:**

It is my pleasure to invite you to enjoy Oklahoma hospitality during the 6 and 7 September SCSI Working Group and 8 September CAM meetings.

For those of you who are not already aware that modern technology was enabled in Oklahoma City with the invention of the parking meter and shopping cart (and consequently hesitant to visit), I have enclosed a brief list of events and places you might consider. For more specific hospitality, I will provide a list of chuck wagons and watering holes at the August meeting.

The meetings will be held in the Sheraton Century Center Hotel. The hotel is located in downtown Oklahoma City across the street from the Myriad Convention Center. The hotel includes a shopping mall, an 18 hole golf course (miniature) next to the pool and is connected to the downtown Oklahoma City underground.

The pertinent hotel facts are:
