Dear Mr. Lee:

Regarding Mr. Sheu's letter dated, August 22, 1990 requesting ESDI vendor identification code for Magtron, please be advised that the code number 22 has been assigned to your company.

The ESDI standard has been approved by ANSI and final editorial changes are currently being made before publication. I am attempting to get your company name and ID code into the document before publication. However, if this attempt does not succeed, it will not preclude you from using the assigned code number.

Please let me know if you have any questions.

Sincerely,

Del Shoemaker
