RE: X3.131, Small Computer Systems Interface (SCSI-II)

Dear Larry:

I have received a copy of the letter sent to Beth Somerville from Jean-Paul Emard concerning the withdrawal of X3.131. If you need any assistance incorporating material from my initial edited text into the committee's revised text, I would be happy to help. Bob Hager is also available to assist with any electronic text concerns. My number is 212-642-4919, and Bob's number is 212-642-4917.

We appreciate the time and effort the committee has put into this project, and we would like to help bring it to completion.

Sincerely,

A handwritten signature in cursive script that reads "Kristine M. Gonda".
