Dear Del:

Subject: Assignment of Project No. 881-D, SCSI-3 Packetized Protocol

X3T9 has responded to the comment accompanying the negative vote on X3LB 1776. SPARC reviewed the response at their July 1991, meeting and determined that the negative has been satisfied. The authorizing document for this project is X3/90-675R. Please be sure to keep a copy of this document for further processing.

We have assigned **X3 Project No. 881-D** to this new project. Please use this number on all documents relating to this project. The Secretariat will issued a press release announcing approval of this project and inviting interested parties to participate.

Sincerely,

Lynn Barra
Coordinator, Nat'l. Stds. Processing, X3
