

T13 Liaison Report to T10 – April 2025

The April hybrid T13 Plenary commenced at 9:04 am CDT on Tuesday, April 15, 2025, with 12 people representing 8 organizations present. In-person attendance in Dallas, TX was recorded for 4 people from 4 organizations, with the remainder attending via an electronic conferencing bridge (e.g., Zoom, WebEx).

The number of voting organizations present was 8 of 8.

The next T13 Plenary will be a hybrid event held on June 17 & 18, 2025, beginning at 9:00 am MDT on Tuesday, with the in-person component being held in Longmont, CO.

US National Business Brief

Current Projects

- ACS-6 – INCITS 574

A few non-substantive changes were agreed upon, with the following results.

ACS-6 r13 was unanimously forwarded to INCITS for processing towards publication.

ACS-6 r12 contains all the technical content found in r13 but adds revision history info.

Based on this forwarding date, INCITS predicts that the two-month Public Review will commence near the end of May.

- ACS-7 – INCITS 590

Project Number INCITS 590 was assigned by INCITS after the February Plenary

Topics: Considered 6, Approved 3, Withdrawn 1

- ZAC-3 – INCITS 575

Topics: Considered 1, Approved 1

Topical Notes

- For ISO/IEC ZAC-2 (ISO/IEC 17760-302), the Draft International Standard (DIS) ballot results were distributed in December. Since that time, several delays have resulted from problems processing the publication PDF file.
